| | | | |
|---------------|--------|---------------|--------|
| Quic-Disc | | Premium PRO | |
| DVDs per hour | 24-56 | DVDs per hour | 24-90 |
| CDs per hour | 66-154 | CDs per hour | 72-200 |

Verification Mode

Microboards towers support Bit-to-Bit Data Verification, ensuring a perfect burn every time. (Data Disc Only) For CD-Audio and CD-XA (Extra) a basic disc read check is performed.

Limited Warranty

The standard warranty for Microboards Premium Pro and Quic-Disc towers is the industry's best! Our two year limited warranty (Premium Pro) and 1 year limited warranty (Quic-Disc) includes unlimited phone support. (Two year limited warranty includes controller, enclosure, and power supply. Recorders are covered for one year) Unlimited phone support is included.

Supported Formats

Microboards towers support virtually every format. Supported DVD Formats include DVD Video, DVD ROM, DVD+R, DVD-R, DVD-RW, DVD+RW, and Dual Layer DVD. Supported CD Formats include: CD-DA (Red Book) CD-ROM Modes 1&2, XA Forms 1&2, ISO 9660, Photo CD, CD-Extra, Mixed Mode, Video CD, Hybrid CD, HFS. DVD Duplicators do not record CD+G Format

Operating Specifications

Interface Access to basic copying functions and advanced features is obtained through the two-line LCD display and two-button interface. Menu navigation is as simple as answering questions with the 'Yes' and 'No' buttons - Ideal for even novice users!

Configurations

Recorders: 3, 5, 7, or 10 (Premium Pro only)
CD Speed: 48x
DVD Speed: 18x

Pro Version Option

For advanced features, Microboards Tower Copiers are available in a Pro configuration with an onboard hard drive.

Added benefits include

- Track Extraction mode allows the user to create custom Audio CDs by uploading tracks from masters to the Hard Drive and then burning the compilation to CD.
- Archival permits the user to store up to 10 disc images on the Hard Drive.
- Copy & Compare mode causes the duplicator to check each copy after the recording process is completed, ensuring a perfect burn on every copy.

Microboards' Premium DVD Copiers feature high-speed, industrial NEC recorders that **copy both DVD and CD formats**. In addition, Microboards' Tower duplicators use a unique high-quality controller available only through Microboards. That's why Microboards always supports the latest record speeds and has the best track record in the industry!

* Approximate speeds based on full capacity disc content. Prices subject to change.
